The aim of the **REVISION SCHOOL** is to prepare **GRADE 11'S** for the end of year exams by exposing them to typical exam-type questions, which will improve their results since they will submit this report to tertiary institutions for provisional acceptance into their chosen field of study.

The courses are **NOT** restricted to Bergvliet High School students and acceptance is on a first-come, first-served basis. **Please note that class numbers are restricted due to social distancing protocols.**

SCIENCE – Z. Dlamini

Struggling to get to grips with Science, or working towards an “A”? Revise the following important sections, amongst others, in this useful course:

- Newton’s Laws including Universal Gravitational Law;
