## MUSIC APPLICATION FORM

If Specialist Music is your choice rather than general Creative Arts, please fill in this form and **attach** it to your Application Form. If your child is currently taking Music, please enclose a recent Music report.

Please be advised that there is a charge which is additional to normal school fees for Music for Grades 8 and 9. This is currently R7 250,00 per annum for individual instrument tuition and Music History/Theory lessons. An additional cost of R2 500,00 per annum would cover instrument hire should this be required. These fees are reviewed annually.

Music fees are charged on an annual basis in advance. Please note that if Music fees are not paid promptly, your child will not be allowed to continue making use of these facilities with immediate effect. Learners whose parents apply for exemption will not be permitted to do music in Grade 8 and 9 as it is a specialised subject requiring contract music educators who need to be paid. Learners will do the statutory Creative Arts curriculum.

A learner can start subject Music as an absolute beginner in Grade 8 in percussion, voice or on a wind instrument but must have reached at least Grade 3 if wishing to take piano and Grade 1 or 2 if wishing to take guitar or violin. We offer tuition in piano, violin, trumpet, trombone, flute, clarinet, saxophone, voice and percussion.

Following acceptance, you will be contacted for an audition and aptitude test towards the end of the 2<sup>nd</sup> Term. At the audition an opportunity is provided to try out all the various instruments offered at Bergvliet High. The learner has to pass the audition in order to be accepted into the Music class.

Please note that places are limited.
