The aim of the **REVISION SCHOOL** is to prepare **GRADE 11 learners** for the end-of-year exams by exposing them to typical exam-type questions, which will improve their results since they will submit this report to tertiary institutions for provisional acceptance into their chosen field of study.

The courses are **NOT** restricted to Bergvliet High School students, and acceptance is on a first-come, first-served basis.

### ***STUDY SKILLS – N. Ramjatan (Educational Psychologist)***

This useful Study Skills course will boost your confidence and improve your grades by teaching you to use effective study methods. It is an interactive course which will equip you with the necessary tools which you can use throughout your education. You will learn how to draw up a study timetable, set achievable goals, learn about time management and planning, exam techniques and learning skills. It will help you to develop yourself as an independent learner. You will receive a Study Skills Booklet and a Time Management Booklet to map your way forward.

Saturdays: 08:00 – 09:00  
11, 18, 25 October & 1 November

Sessions: 4  
Cost: R540

### ***LIFE SCIENCES – S. Lambrechts, M. Wentworth, M. Brouwer, G. O'Connor***

Aspects of the following important sections will be covered in this useful revision course:

- Biodiversity of Micro-organisms
- Biodiversity of Plants and Animals
- Aspects of Nutrition & Homeostatic Mechanisms
- Photosynthesis & Cellular Respiration

Saturdays: 09:00 – 10:00  
11, 18, 25 October & 1 November

Sessions: 4  
Cost: R540

### ***ENGLISH – L. Barnwell, C. Ocktober, N. Ebrahim***

Do you believe you have the potential for better outcomes in English? Here's your chance to not only revisit past skills but also acquire new ones. Immerse yourself in this enriching four-week course that delves into the more intricate facets of the English syllabus – a must for those aiming to enhance their English performance or attain an A aggregate.

Course Highlights:

- **Language:** Uncover the art of visual text analysis, while also refining essential grammar and mastering error correction techniques.
- **Poetry:** Learn to dissect both seen and unseen poetry, unlocking profound interpretations and themes.
- **Literary Exploration:** Discover how to dissect literature and craft compelling essays.
- **Writing Enhancement:** Elevate your writing prowess by mastering preparation strategies for Paper 3 and refining your creative writing skills.

Join us for this transformative learning voyage, empowering you to elevate your English proficiency. Whether you're striving for improved results or aspiring to an A-aggregate, this course is tailored to equip you with the tools and knowledge needed to achieve your objectives.
