The move from primary school to high school Mathematics can be a significant adjustment, and many Grade 8 learners are unsure of what to expect in their first formal high school examinations.

Exam Ready: Grade 8 Maths is designed to give learners the knowledge, skills, and confidence they need to succeed. Through carefully selected exam-style questions, expert guidance, and targeted revision of key concepts, learners will become familiar with the standard and style of questioning used in end-of-year examinations. They will also receive practical exam strategies and valuable study packs that will help reduce anxiety, improve confidence, and maximise their performance.

This Maths Revision Programme is **NOT** restricted to Bergvliet High School learners, and acceptance is on a first-come, first-served basis.

GRADE 8 MATHEMATICS – D. Viljoen, D. Sinclair

If you are struggling with Maths, or are working towards an “A” at the end of the year, then this course will give you the edge you need to write your final exams with confidence. The following challenging sections of work will be covered, and you will get helpful study notes to take home with you:

- Algebraic Expressions
- Geometry
- Algebraic Equations
- Integers/Fractions

Saturdays: 09:00 – 10:00
10, 17, 24 & 31 October
